

Representatives from the District Attorney's Office and Chief Probation Officer, James Butcher have teamed up this Spring to keep our kids safe during Graduation and Prom season. The District Attorney knows the tragic reality of distracted driving and drinking and driving among our young citizens. Unfortunately Mr. Butcher has firsthand knowledge of distracted driving with the death of his daughter, Courtney, seven years ago due to a crash caused by excessive speed, she was a passenger and only 18 years old.

Let's do all we can to assure a safe and healthy Spring Season for all of us.

Chief Probation Officer, James Butcher; Assistant District Attorney, Danielle Horgan; Detective Adam Bohannon; Chief Kulhawik, Deputy Chief Roderick and Chief Fisette
